**Subject:** FW: Need LPA information

Frank,

Please see attached for the explanation of what is LPA and the first project, or MOS, for which we will be seeking the FTA approval to enter into PE. We had several meetings with the Headquarter people (Ron Fisher/Jim Ryan/Joe Ossi) where they helped us in defining the two separate paths for the New Starts project and for NEPA.

Hi ..... Toru ,,

***As part of our cost validation exercise we need to take a look at the estimated cost of the LPA. Given the combinations of 'sections / alignments / alternatives' in the Cost Memorandum we would like you to tell us specifically what the LPA consist of.***

***Please use the attached Excel file to identify the specific sections, alignments, alternatives that make up the LPA. Also, If you have not chosen a specific alignment or alternative within each Section please so indicate and explain the rational and method to be used in making those decisions.***

***Please let me know if you have any questions.***

Thanks ..... Frank
